## Battelle CCDS for Respirator Decontamination for removal of COVID-19

Source: Arizona Department of Health Services (ADHS)

Dear Members,

The Arizona Department of Health Services (ADHS) has announced the pending arrival of the [Battelle Critical Care Decontamination System™](#) (Battelle CCDS™) to aid frontline workers in Arizona in extending the use of disposable respirators. Information for providers interested in participating in this process can be [FOUND HERE](#). Instructions for registering with Battelle, saving used respirators and sending and receiving respirators are included.

Please note that this information is not intended to promote or endorse the device listed above, but to offer information that may aid in your COVID-19 efforts if this is relevant to the setting in which you delivery pediatric care.

Thank you.
