

# Clinical Management of Multisystem Inflammatory Syndrome in Children (MIS-C) Associated with Coronavirus Disease 2019 (COVID-19)

*You may participate in this COCA Call via Zoom*

## Overview

During this COCA Call, clinicians will learn about clinical management of multisystem inflammatory syndrome in children (MIS-C) associated with Coronavirus Disease 2019 (COVID-19). Clinicians will share their experiences treating patients with MIS-C, present treatment details from published literature on patients with MIS-C, and provide an overview of the treatment guidelines published by the American College of Rheumatology.

If you are unable to attend the live COCA Call, the recording will be available for viewing on the [COCA Call webpage](#) a few hours after the live event ends.

The slide set will be available under "Call Materials" on the [COCA Call webpage](#).

Continuing Education will not be offered for this COCA Call.

**Date:** Thursday, July 16, 2020

**Time:** 2:00pm-3:00pm (ET)

**Please click the link below to join the webinar:**
