

More Free PPE to Private Practices

Maricopa County Medical Society, through items provided by the Maricopa County Department of Public Health, is distributing free PPE to physicians in the county. MCMS is very thankful to the county health department for their support. Items include surgical masks, N95 masks, KN95 masks, disposable gowns, nitrile gloves, puncture-resistant gloves, protective goggles, and face shields.

Supplies are available to all physicians in private practice in Maricopa County. Please share this message with colleagues.

Requesting Supplies

Given high demand and limited supplies, please request PPE by completing a short form linked below. MCMS staff will then share details about when to pick up your supplies and the maximum allocated to you.

Questions

If you have questions, then please email Shirley-Ann Hart at shart@mcmsonline.com or call 602-252-2015.

Donations Welcome

While the PPE is free, MCMS welcomes donations to support our excellent programs in support of member physicians and the communities in Maricopa County. You can donate through our 501(c)(3) Academy of Medicine Science of Maricopa County. We welcome donations made [online through Network for Good](#). The Academy achieved the Guidestar Gold Seal of Transparency for 2020.
