Newly Released Adolescent Health Toolkit

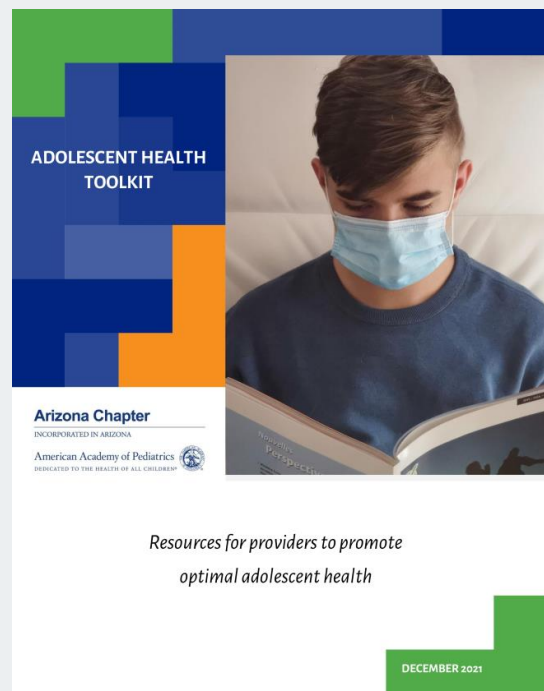

AzAAP is pleased to release the Adolescent Health Toolkit: Resources for providers to promote optimal adolescent health.

This new resource is intended for AzAAP members caring for adolescents, especially in the context of the COVID-19 pandemic and its impact on pediatric practice and adolescent health. Topics addressed in the toolkit include:

- Consent and Confidentiality
- Telehealth
- LGBTQ+
- Sports
- Mental Health
- And More

Thank you to AzAAP's Adolescent Health Committee for their expert guidance and work on this project.
